ABOUT THE TRIPS:

On the day trips you will be following our professional guides to the Lappish nature and wilderness. On the Nordic skiing trips we aim to ski as much as possible outside the skiing tracks, according to the weather and guides judgement. On the trips you can ski with normal Nordic skis, or rent a pair of wider ones from our rental shop. **Please take into account that some skiing skills are always needed on the trips, look the trip classifications down below. If you are not sure is the trip suitable for you, please talk with our guides.**

Clothe yourself properly according to the weather and take with you packed lunch and hot drink, extra gloves and fleece or jacket. **Please make sure** you have the needed equipment ready before the trip. For rental and waxing come to our rental shop well prior to the trip starting time.

Trips leave at the gate of UK National Park.

TRIP CLASSIFICATIONS!

Easy: Calm and steady pace. **Basic skiing skills and reasonable physical fitness** required.

Middle: Little bit longer and faster trip. **Basic skiing skills and physical fitness** required.

Hard: Considerably longer and faster trip. **Good skiing skills, good physical fitness and endurance** required.

The weather conditions might cause last minute changes to the trips.

If no price mentioned next to trip/program, it is included to the accommodation price(except meals and equipment rental).

Extra trips and safaris and other fun activities also available!

Please ask at the reception!

Enjoy your stay in Kiilopää!
